1. Contracts of Affreightment for the First Quarter of the year 1952 made with Czechoslovak Automobile

Transportation (CSAD):

Ministry of Building Industry, Head Administration of Supply, Transportation Section sent on December 18, 1951 to all KVS and KSS Head Administrations a circular. These Head Administrations are asked by this circular to inform all their subordinate corporations and bodies in single counties that they are obliged to report speedily to County Officials in Charge of Transportation their planned claims concerning the public transportation in single counties for the first quarter of the year 1952. The planned tonnage that will be reserved for single counties by CSAD.will be apportioned at county conferences of the building sector. The County Official in Charge of Transportation, with the agreement of corporations and with participation of representatives of the pertaining County National Committee, discusses with a representative of the County National Committee procuring the rest of the needed tonnage that is the tonnage that cannot be transported by CSAD. In such cases the Officials in Charge of Transportation are to intervene at the County National Committee and ask it that transportation of other enterprises and communal transportation, as far as they are not fully used, are to be put in charge of an adequate part of the tonnage needed by the building administration. According to the circular CSAD makes partial contracts only for the January 1952.
